Re: Notice of Oral *Ex Parte* Presentation in WT Docket No. 99-168.

Dear Ms. Salas:

In accordance with Section 1.1206 of the Commission's rules, this letter concerns an oral *ex parte* presentation by Richard Barth, Leigh Chinitz, and Wayne Leland of Motorola to Commissioner Michael Powell and Peter Tenhula.

The issues discussed at this meeting were similar to those that have been discussed by Motorola throughout this proceeding. Specifically the meeting focussed on the Congressional requirement contained in the Balanced Budget Act of 1997 for the FCC to "ensure that public safety licensees continue to operate free of interference from any new commercial licensees."<sup>1</sup> The presentation included a discussion of the opposition of public safety agencies to the introduction of cellular architectures in the public safety guard bands.

If you have any questions or need any additional information, please let me know.

Very truly yours,

/s/  
Leigh M. Chinitz  
Motorola, Inc.

cc: The Honorable Michael Powell  
Peter Tenhula, Esquire
